## MESSAGE TO NPS ALUMNI

Yá'át'ééh danilhi dńíní dooleeł, Navajo Preparatory Schooldęé. We hope that all is well with you.

Since 1991, NPS has graduated 485 students from various areas in the Four Corners. Our students have attended local and distant colleges and universities, and some have elected military service. As an Alumnus you are still a valuable part of the NPS family, and we need your help in establishing an alumni network. An informational survey is included with this letter. Information gathered from this survey will help NPS establish an alumni database with resources.

As an additional incentive, we will hold a drawing from all the surveys returned by Friday, December 17, 2004. The winner will receive an NPS Pendleton blanket (value \$200). The winner of the limited-edition blanket will be notified via phone or mailing address. You may also purchase a blanket of your own.

We thank you in advance for your time and honest opinions. Alumni have an excellent opportunity to continue the NPS tradition of building future leaders. When you get the opportunity please visit our new campus that include new dormitories. Our phase II construction is currently under way for a new Athletic Center and Dodge, Morgan, and McDonald Halls are being renovated for classroom use. In the near future Phase III work will complete our new campus. If you have any questions, feel free to contact me at (505) 326-6571 extension 128, or via email at [alumni@opus.nps.bia.edu](mailto:alumni@opus.nps.bia.edu).

Laura Tom, Director of Admissions
